

Dear Parent/Guardian,

Welcome to the beginning of the new school year. We hope everyone had a safe summer. We are looking forward to getting to know you and your student this year. We wanted to take this opportunity to share some information about our team and encourage you to communicate with us. We will be using Schoology as our main platform for students to get assignments and updates for classwork. We will be using the Remind app and school email for communication between teachers and families for questions and concerns.

**Team Harvard Teachers:**

Mathematics - Mr. Kim

Science- Mrs. Nowak

ELA- Mrs. Tauber

Social Studies - Mr. Ezratty

Co-Teacher English & Social Studies - Mr. Gaffin

Co-Teacher Science & Math - Mrs. Richman

We are committed to helping every student learn in our classes. We believe it is important for families and schools to work together and share responsibility for student success. Our classroom will be a tolerant and respectful environment that encourages all members to become better students and individuals.

We believe in having two-way ongoing communication with families. We invite you to share information, questions, or concerns about your student via email, Remind or Schoology. Throughout the year, we will do the same. It is important to share both positive messages and concerns.

Thank you for reading this letter. We look forward to hearing from you.

If you have any questions please email us at:
