ANDREA CODDETT, Ed.D
Assistant Superintendent

December 1, 2014

Dear Parents/Guardians:

The East Ramapo Central School District is partnering with BrightBytes, an educational software company, in order to learn more about our students' school and home technology use for learning. For that reason, we are reaching out to ask you to take part in a technology questionnaire. Your participation is essential in helping us form a more complete picture of technology use for learning in your child's life. Please know that no personal identifying information will be required and all of your responses will remain anonymous to protect your privacy.

The survey will be administered between December 8, 2014 and December 19, 2014. A survey link and code will be provided at the school level. For more information on how to participate, please contact your child's school.

Sincerely,

Andrea Coddett, Ed.D
Assistant Superintendent

Please follow the links below for the survey.
