Dear Parents/Guardians:

WELCOME BACK!

We are so excited to meet your children! The Music Department has been working hard to ensure a productive and successful year. Students will be introduced to classes such as Electronic Music, Band, Chorus, and Orchestra. These courses are designed to introduce fundamentals of music reading skills, composition, music listening/appreciation, and performance. As we find our “new normal,” we have established rules and regulations for remote/hybrid learning. Unfortunately, COVID-19 has temporarily paused our normal routine, but the power of music is still alive and well using modern technology. This pandemic will not hinder us in bringing joy and peace through the arts! Before we start using the new platform “Schoolzy,” our year will start by using Google Classroom. Therefore, you should have received the codes to login for Google Classroom. If you have not received the codes, please feel free to email us below. We are looking forward to working with your children, and we wish you all a healthy start to the academic year. Continue to keep your families and loved ones safe.

Sincerely,

The Pomona Middle School Music/Arts Department
