Assistant Principals

September 2020

Dear Parents / Guardians and students:

Welcome back. We hope that your summer was one of good health, fun and relaxation.

Your schedule for the 2020 - 2021 school year is now available on the portal. Unless you are notified otherwise, this is the schedule that you will follow for the rest of the school year.

Please check who your guidance counselor is, as student enrollment has affected counselor assignments. If you need an adjustment in your schedule, please email your guidance counselor and myself as soon as possible. If you have a concern about your schedule, you must still follow your schedule until you are notified of a change.

Please note that if you are in an Advanced Placement course you must take the appropriate AP exam and you **are responsible for the testing fee**. If you are in a Project Advance (PA) course, or college level class offered through the University at Albany or RCC, **you must pay the per credit fee if you want to take it for college credit**.

Please visit the guidance announcements page and scholarship page regularly for updates and important information. **Please email your guidance counselor your full name, grade, working phone number and personal email address as soon as possible.**

We wish you a safe and healthy remainder of the summer. I look forward to meeting and working with all of you during the course of the school year.

Sincerely,

Annie Bino  
Assistant Principal
