

SCHOOL DISTRICT MISSION STATEMENT

The Board of Education, in a joint effort with the Superintendent of Schools, shall develop the Mission Statement for the school district. The Mission Statement shall include the purpose or needs of the district, what the district is doing to achieve the purpose or to address the needs, and shall include the principles, beliefs and/or values which will serve as a guide to those who are working to achieve the school district's mission.

Date Adopted: 9/2/03
