

"A Unified Community Educating the Whole Child"
Healthy, Safe, Supported, Engaged, Challenged

Snow Day Challenge #2

Here's how it works:

- To participate in the challenge you will need to complete an indoor and/or an outdoor activity.
- After you complete the activity, you will fill in the Snow Day Challenge Log.
- Bring your log to school and share it with your physical education teacher.
- *With your parents permission*, send pictures and videos to snowdaychallenge@ercsd.org.

Are you ready for East Ramapo's *second* snow day challenge of 2016? If you are, then let's get moving.

Here's your second challenge:

Indoor

Build a fort using pillows, blankets, and chairs. Prepare a healthy snack to enjoy in your fort.

and/or

Balloon Volleyball: Blow up a large balloon, hang a string across 2 chairs, and play volleyball. *Challenge:* play on your knees or sitting on the floor. (Make sure anything breakable is put away.)

Outdoor

Create a maze with obstacles in the snow. Have your siblings try to maneuver through the maze.

and/or

Build a massive snow sculpture. It could be anything, but be creative.
