

EAST RAMAPO CENTRAL SCHOOL DISTRICT MONITORS LISTENING SESSION

MONDAY OCTOBER 18TH FROM 6:00 - 6:45PM

The session is an opportunity for the Monitors to listen to the community regarding the Long Term Academic and Fiscal Plan Improvement Plan and use of the 1 Million dollar grant from NYSED.

As we need to accommodate all in attendance combined with better acoustics, it is necessary to change both the Oct. 18, 2021 Listening Session and the Oct 19,2021 Board of Education meeting to Pomona Middle School at 101 Pomona Road in Suffern. Times of both meetings remain unchanged.
