Assistant Principal, I.A.

Dear Parent/Guardian:

The New York State Department of Education requires that all new students and students in grades kindergarten, 1st, 3rd, 5th, 7th, 9th and 11th have a physical examination completed by a health care provider. A physical examination form is enclosed in this packet. If you prefer to have your child examined by a private physician it is imperative that the completed physical examination form be returned to the school nurse by October 1.

If the school nurse does not receive the completed physical examination form, an appointment will be scheduled for your child with a school district physician. The school health physical includes an assessment of the ears, mouth, heart, lungs, spine, and genitalia. Students will also be assessed according to the Tanner stages of puberty.

Please call the school nurse indicated below with any questions or concerns.
Thank you for your attention to this matter.
Sincerely,

Christine Healy, RN, MSN
Coordinator of Health Services

El Departamento de Educación del Estado de Nueva York exige que todos los nuevos estudiantes y estudiantes en los grados de kindergarten, 1^o, 3^o, 5^o, 7^o, 9^o y 11^o tengan un examen físico completado por un proveedor de atención médica. Un formulario de examen físico está incluido en este paquete. Si prefiere que su hijo sea examinado por un médico privado, es imperativo que el formulario de examen físico completo sea devuelto a la enfermera de la escuela antes del 1 de octubre.

Si la enfermera de la escuela no recibe el formulario de examen físico completo, se programará una cita para su hijo con un médico del distrito escolar. El examen físico de salud escolar incluye una evaluación de los oídos, la boca, el corazón, los pulmones, la columna vertebral y los genitales. Los estudiantes también serán evaluados de acuerdo con las etapas de pubertad de Tanner.

Llame a la enfermera de la escuela que se indica a continuación con cualquier pregunta o inquietud.
Gracias por su atención a este asunto.

Performance, Resilience, Integrity, Determination, Excellence
