## Director of Facilities III

Immediate opening for a Director of Facilities III for the East Ramapo Central School District, Spring Valley, NY. Incumbent is responsible for administrative direction for the District's facilities department. Work is per established policies/procedures and in accordance with applicable State, local and federal laws; rules and regulations which apply to school district facility operations/maintenance. Work is performed under general supervision of School Superintendent but exercises independent judgment to carry out work. Position oversees the management, administration and legal codes, rules and regulations for the Buildings and Grounds and Custodial staff as well as responsibility for hiring, evaluating, training and disciplining staff.

Minimum Qualifications: Graduation from High School (or possession of GED) AND one of the following:

A. Bachelor's or higher in School Facilities Management, Engineering Construction Management or Architecture and three years of experience in school facilities maintenance, general building construction or building maintenance or repair work, or construction management, one year of which must have been at a supervisory level; or

B. Associate's or higher-level degree in School Facilities Management, Engineering, Engineering Technology Building Construction Technology or Architectural Technology and five years of experience in school facilities maintenance, general building construction, building maintenance or repair work, or construction management or repair work, or construction management, one year of which must have been at a supervisory level; or

C. Seven years of experience in school facilities maintenance, general building construction, building maintenance or repair work, or construction management, one year of which must have been at a supervisory level; or

D. An equivalent combination of education and experience as defined in A, B, C above.

MUST possess valid NYS driver's license and certificates appropriate to vehicles, equipment and/or machinery operated at time of appointment or during course of employment in School District.

In accordance with Safe Schools Against Violence in Education (Save) legislation, Chapter 180 of the Laws of 2000, and by the Regulations of the Commissioner of Education, candidate MUST obtain clearance for employment from State Education Department prior to employment based on fingerprint and criminal History background check.

Current Civil Service list in this title will take precedence.
