

Ramapo High School

“Home of the Gryphons”

As a High School Freshman / Sophomore, I should:

Meet with my school counselor to:

- Review academic record and strengthen my weak / problem areas
- Ensure that I am on track for high school graduation and have what it takes to satisfy college entrance requirements

Fall / Spring

- Meet with my guidance counselor to discuss classes and activities available to me.
- Challenge myself with more difficult courses.
- Make connections with my teachers, counselor, and activity advisors.
- Search for colleges and scholarships, it's never too early!
- Volunteer- it is wise to get involved!
- Take the PSAT and / or ACT PLAN (sophomore year).
- Keep my grades up! I am building my high school transcript and my future!

Summer

- Research and participate in summer academic programs, internship and or work opportunities in my community.
- Visit colleges during summer vacation.
